WHAT IS RYLA?

RYLA is a program for youth leaders. It is about recognizing excellence in youth leadership. Recognition is given to young men and women, high school juniors, who have demonstrated leadership ideals and example, in their schools and or communities. Excellence in academics or sports is not a requirement. RYLA stands for the ROTARY YOUTH LEADERSHIP AWARDS conference.

The "Award" is an all-expense paid participation at a weekend conference usually held in an outdoors setting, away from the pressures and distractions of daily of life. The conference consists of motivational speakers, group discussions, workshops and hands-on activities designed to develop leadership skills.

RYLA provides an atmosphere fostering personal and interpersonal development. It gives opportunities for a meaningful exchange of ideas between peers and between generations. It offers an incentive to improve leadership abilities in order to build better schools, communities, country and a better tomorrow. It emphasizes the positive contribution of youth involvement and service in the community and world.

RYLA is an activity of Rotary International and fulfills the slogan adopted in 1949, "Every Rotarian an Example to Youth". According to Rotary, RYLA aims to:

- ✓ Demonstrate Rotary's respect and concern for youth;
- ✓ Provide an effective training experience for selected youth leaders and potential leaders;
- ✓ Encourage leadership of youth by youth;
- ✓ Recognize publicly young people who are rendering service to their communities.

Participants will be divided into teams to provide a more intimate learning and sharing experience. Groups will interact with a variety of outstanding individuals, who are leaders and motivators in such fields as civics, sports and business. Participants are also exposed to the other youth programs Rotary has to offer, such as Interact, Rotaract, Youth Exchange and Ambassadorial Scholarships.

RYLA is different from most leadership camps, such as Boys and Girl State, Camp Enterprise and HOBY (Hugh O'Brien Youth), in that it is designed to teach and promote individual leadership values and issues. In addition, participants have commented favorably on our use of discussion groups and the fact that students themselves (Senior Alumni) conduct the conference.

It began as a program of recognition for outstanding young people in Australia and New Zealand in 1959, later adopted worldwide as an official program of Rotary in 1971. RYLA is one of the largest youth leadership programs in the world.

Inbound International Youth Exchange students will be invited to attend and as well as Ambassadorial Scholars. We encourage clubs to look to their Interact Clubs for potential participants, thereby incorporating in our RYLA program every aspect of youth service that Rotary has to offer.

Our RYLA program does set a high standard of excellence, as many RYLA programs before it have done.

As Rotarians, we apply the principle of the 4-Way Test in our everyday lives. Through RYLA we seek to instill those same principles:

IS IT THE TRUTH?
IS IT FAIR TO ALL CONCERNED?
WILL IT BUILD GOODWILL AND BETTER FRIENDSHIPS?
WILL IT BE BENEFICIAL TO ALL CONCERNED?

Come share the RYLA experience!
